

**China vs. America  
Comparison Chart**

After listening to Tobias Smith’s lecture on “A Generation of Law in China” and reading Graham Allison’s “China vs. America,” compare the 2 civilizations.

- What are the differences/similarities between Chinese and American views of law, protest, individual rights, etc.?
- What cultural difficulties make it difficult for China and Americans to understand each other?

Use the chart to record your responses:

Chinese Ideas	American Ideas
